# Thank You!

## To The Austin Asian American Community & Businesses For Saving Lives

In March and April 2020, twenty-six Austin Asian American organizations came together and raised \$120,727. The effort was spearheaded by the Greater Austin Asian Chamber of Commerce (GAACC) and The Network of Asian American Organizations (NAAO). The community was able to secure masks from certified manufacturers and deliver quality masks and other PPE products to frontline healthcare workers in Austin: 90,000 surgical and N95 masks, 10,000 gloves, and hundreds of protective medical gowns to more than 12 medical facilities and community organizations. All of this was made possible through the strong personal networks and supply chain expertise of the Austin Asian American community and businesses.
